Single Pack C1143
Twin Pack C1143.01

Wired and boom microphone, installation system for all kind of helmets on a slide and tape and an adhesive slide, audio kit with ultra-thin speakers, mp3 cable and wall charger

A person is riding a motorcycle at night, captured with a significant motion blur effect. The rider is wearing a dark jacket and blue jeans. The motorcycle's headlight is illuminated, casting a bright glow. The background shows blurred lights and shapes, suggesting a fast-moving urban environment. The overall color palette is dominated by blues, greys, and the warm yellow of the headlight.
